— WEDDING —

For an experience like no other, our Florence wedding package offers the ultimate in extravagance and luxury for your special day.

WELCOME TO YOUR FLORENCE WEDDING

The Florence, for 100 guests, is quite simply the most luxurious wedding you can imagine. Using our expertise and years of experience in delivering weddings for the discerning, we have curated an outstanding experience with some of the finest specialists in their field.

This decadent wedding sees Hedsor House bedecked with stunning floristry from royal suppliers, Lavender Green Flowers and transformed with the photogenic lighting and production of Glo Productions. You and your guests will enjoy an exceptional three-course menu created especially for you by luxury event caterer, rhubarb. To top it off, London based The Abigail Bloom Cake Company will create an exquisite five-tier wedding cake of your personal design.

This wedding is truly unforgettable and breathtakingly beautiful.

THE INSPIRATION

This wedding experience has been inspired by our grandmother, Florence Shephard, who, along with her husband Philip, was gifted Hedsor House as a wedding present by our great-grandfather in 1934. It has remained in our family ever since.

Florence was a natural hostess and loved nothing more than entertaining friends and family at Hedsor House, making the most of the splendid Georgian interiors and beautiful grounds. We have fond memories of her stories about the very special visitors that came to Hedsor and we continue to enjoy welcoming guests to our family's home.

We love the idea that we are continuing her legacy with the Florence Wedding and know that you will enjoy every element of this special experience.
